

The Ark Community

129: **Prayer**

by Rosa **Nuzzo** (EU)

Thank You Lord,
for the seasons of my life
and for the goodness placed in my hands.
Thank you for family and friends
who gladden my heart.
Thank you for frailty
that makes me patience and humble.
Thank you for the skills
which are signs of Your generosity.
Thank you for every spring
which is a promise of abundant fruit.
Thank you for every winter
that has mold my expectations.
Thank you for the silence
which is the guardian of your glory.
Thank you for the hymns who perpetually sing
the praises of Your Name.
Help me, Lord,
to be every moment a faithful witness
of Your presence. Amen. (Arnaldo Pancrazi)
